

6 GATFIELD STREET, NEWTOWN QLD 4350

Built for Purpose

# SDA HOUSING YOU CAN TRUST

*“I met the team at a networking function presented in 2020. I was super impressed by their values, empathy and willingness to provide quality SDAs for my clients. As a Support Coordinator, I look for these attributes in all of my service providers.”* — Lauren S

*“All of the owners are amazing to deal with, such a caring organisation that I would recommend to anyone. Very professional, great at communication and really care for their clients.”* — Jade D

## LIVING ROOM & KITCHEN

This light-filled open-plan living and kitchen space is designed for independence and calm. Wide circulation, knee-clearance workstations and easy-reach storage support wheelchair users and support staff. Durable flooring, quality appliances and soft lighting create low-maintenance comfort. Large window and door openings provide natural light, ventilation and connections to outdoor areas.

## BEDROOM

The bedroom offers quiet comfort with wide circulation and direct outdoor access. Purpose-built joinery provides open shelving, drawers and a low bench for equipment. Power points and data are positioned for assistive technology. Soft lighting, block-out blinds and durable timber-look flooring support daily care, privacy and restorative, low-stimulation living comfort.

# BATHROOM

The accessible bathroom is spacious and easy to navigate. A level-entry, wheelchair friendly shower with handheld mixer and curtain track supports safe transfers. Wide turning circles, grab rails and a knee-clearance vanity suit mobility equipment. Slip-resistant tiles, privacy glazing and neutral finishes deliver comfort, hygiene and confidence for everyday routines, independence.

## ENTRY & VEHICLE TRANSFER ZONE

A wide, weather-protected entry with clear turning circles and automated door prep makes arrivals simple and dignified. Direct access routes, non-slip surfaces and practical lighting support safe transfers from vehicles to living areas, improving daily efficiency for residents, visitors and support staff.
